CALL TO ACTION

WHAT YOU CAN DO NOW!

- Contact your local Health Department and inquire if there is a planning process to prepare for the upcoming COVID-19 vaccine.
- Check the Centers of Disease website for regular updates on the availability and accessibility of the vaccine.
- Stay engaged with your local pharmacists and primary care providers.
- Reach out to your local elected officials and inquire about community planning and initiatives to prepare for the COVID-19 vaccine.
- Raise the issue with families and friends. How do you feel about a COVID-19 vaccine? How do family and friends feel about a COVID-19 vaccine?
- Seek valid information from multiple reliable sources.
- Be alert for announcements on proposed vaccination centers.
