Delivery System Changes for Older Hoosiers

The Basics

- Hoosiers aged 60 and over who are eligible for Medicaid will be enrolled in new MLTSS program
 - Some are already in managed care
 - About 10% will be Hoosiers between 60 and 65 who are not getting LTSS now and are enrolled in MCEs under Hoosier Care Connect
 - Most are in FFS
 - About 40% are in NFs or on the A&D waiver
 - About half (50%) are Hoosiers over 65 who are on Medicare

The Basics

- Current A&D waiver providers and NFs will have to join the network of each MCE selected by the state in order to continue serving Hoosiers over the age of 60
- It is anticipated MCEs will be announced early 2023
