# Background on MIPPA

- *Medicare Improvements for Patients and Providers Act* (MIPPA) enacted by Congress in 2008
- Funding for State Health Insurance Assistance Programs (SHIPs), Area Agencies on Aging (AAAs), and Aging and Disability Resource Centers (ADRCs) to:
  - Help low-income Medicare beneficiaries enroll in the Part D Low Income Subsidy (LIS/Extra Help) and Medicare Savings Programs (MSP)
  - Assist rural residents to enroll in Part D
  - Create a technical assistance center (awarded to NCOA)
- 1st round of funding disbursed in 2009 (“MIPPA 1”); Delaware, North Dakota, and Wyoming did not participate

# NCOA Economic Security- Center for Benefits Access

- Helps community-based organizations find and enroll seniors and younger adults with disabilities with limited means into benefits programs for which they are eligible

# Center for Benefits Access

## Key activities:

- Provide training and technical assistance (e.g., monthly webinars, conferences, and individualized support) and data collection and analysis.
- Develop timely publications, including online bi-monthly newsletter (*Benefits Alert*), issue briefs, case studies, promising practices, etc.
- As of 2009, serve as national resource center for MIPPA grantees and establish and support Benefits Enrollment Centers (BEC).

# MIPPA 2

- Passage of the *Affordable Care Act* in 2010 provided additional funding to support MIPPA activities (“MIPPA 2”) through mid-2012
  - SHIPs, AAAs, and ADRCs also asked to promote new free preventive services under Medicare, including the Annual Wellness Visit
  - Florida, Mississippi, and North Dakota did not participate

# MIPPA 3

- Passed in January 2013, the *American Taxpayer Relief Act* reauthorized funding for MIPPA activities for an additional year:
  - States received funds to continue their outreach and enrollment activities beginning Sept. 30, 2013.
  - Florida, Hawaii, and North Dakota (and several territories) did not apply
  - NCOA's Center for Benefits Access was also awarded a grant to continue to serve as the MIPPA resource center.
- States experienced a one-year gap between the end of MIPPA 2 funding and the release of MIPPA 3 funds (beginning late Sept. 2013)

# MIPPA 4

- Additional MIPPA 3 monies appropriated in budget passed by Congress and signed in Jan. 2014, but amended by SGR (“doc fix”) law on April 1, 2014
- *Protecting Access to Medicare Act of 2014*

Federal Fiscal Year (FY)	SHIP	ADRC	AAA
FY 2014 (Oct. 2014-Sept. 2015)	\$7,500,000	\$5,000,000	\$7,500,000
FY 2015 (Oct. 2015-Sept. 2016)*	\$3,750,000	\$2,500,000	\$3,750,000

- Funding likely renewable up to 3 years

# MIPPA 5

- Medicare Access and CHIP Reauthorization Act of 2015 (MACRA)
  - QI is permanent! Folks between 120-135% FPL and less than \$7,280 in assets get help with Part B premiums.
  - Increased Outreach and Enrollment Funds

	AAA	ADRC	SHIP	NCBOE
FY 2015 (Oct. 2015 to Sept 2016)	\$7.5m	\$5m	\$7.5m	\$5m
FY 2016 (Oct. 2016 to Sept 2017)	\$7.5m	\$5m	\$13m	\$12m
FY 2017 (Oct. 2017 to Sept 2018)	\$7.5m	\$5m	\$13m	\$12m

- Effective 2018, new level for Part B & D premium adjustments if income is “>\$107,000 ≤ \$133,500” and “>\$133,500 ≤ \$160,000”
- Effective 2020, Medigap new policies won’t offer “first-dollar” coverage and insured will owe Part B deductible

# Challenges and Opportunities

# Partnerships & Referrals

- Public and private partners:
  - health care providers
  - pharmacies
  - faith communities
  - food banks/pantries/Community Action Agencies
  - local gov't offices (Medicaid or Social Security)
- By end of MIPPA 2 funding, out of nearly 9,000 local partners nationally, 60% came from outside the traditional aging network

# Challenges to Outreach & Enrollment

- Reaching rural populations (isolation, transportation)
- Lack of awareness about programs
- Bottlenecks at local offices (SSA, Medicaid, etc.)
- Countering negative stereotypes about “welfare” programs
- Assuring beneficiaries they won’t be subject to asset/financial recovery
- Staffing dependent on funding
- Others?

# **2015 I&R Network Survey: Relevant Highlights**

# 2015 Survey - Background

## Survey of I&R Specialists in Aging and Disability Networks:

- Survey conducted every other year
- 2015 survey in the field from March 9 through April 10, 2015
- Coordinated with leads in each state to ensure participation across the U.S.
- Working with the National Council on Independent Living to encompass CIL perspective

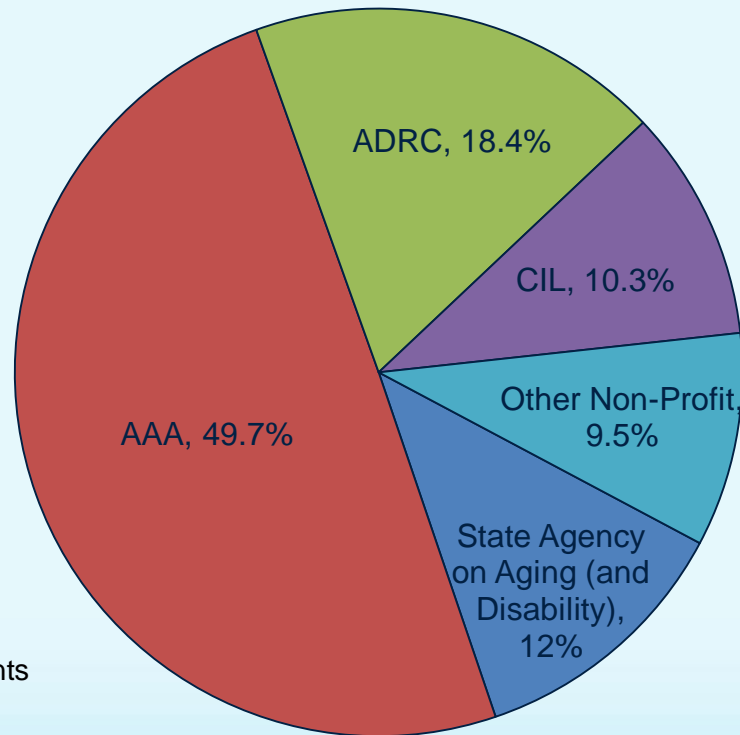

# 2015 Survey - Methodology

- Used a web-based survey instrument
- Disseminated through NASUAD and NCIL to state-level agency directors and to agencies within the aging and disability networks
- Received 358 responses from: state agencies on aging and disability (12% of respondents); Area Agencies on Aging (50% of respondents); Aging and Disability Resource Centers (18% of respondents); Centers for Independent Living (10% of respondents); and other non-profit organizations (9.5% of respondents)

# Benefits Enrollment Centers

34 BECs utilize a person-centered and coordinated, community-wide approach to find and enroll eligible individuals in:

- Medicare Part D Extra Help
- Medicare Savings Programs
- Medicaid
- Supplemental Nutrition Assistance Program
- Low-Income Home Energy Assistance Program

# BECs in Action

*The Cardenas*

# Promising Practices in Outreach

## Example 1: Alabama Outreach Road Shows

- AAA hosted large scale, one-day-only local events with range of partners across low-income communities
  - Faith-based groups, benefits administering agencies (SSA, Medicaid, Food Stamps), food banks, etc.
  - Community partners owned and advertised events
  - Offered something for everyone: benefits screenings, legal assistance, dental clinic, food ministry, and other local charitable programs

# Promising Practices in Outreach- Cont'd

## Example 2: Telethons

- MD SHIP and OH AAA each collaborated with a local TV station to host telethons
  - Had 2-4 hour window on local news, inviting callers to learn more quickly about Medicare
  - Created quick, 3 question screening tool use with callers to assess LIS/MSP eligibility
  - Referred to local SHIP office and scheduled follow-up calls

# Promising Practices in Outreach- Cont'd

## Example 3: Reverse 9-1-1 calls

- Manchester Township New Jersey has a system wherein 9-1-1 can reverse call citizens with important messages
  - Called all households with seniors to invite them to local breakfasts with municipal and county officials, which also served as screening and enrollment sites
  - Over 500 attendees
  - Completed 315 applications for LIS, MSP, and SNAP on site

# Promising Practices in Outreach- Cont'd

## Example 4: “In-stationing” eligibility workers

- Missouri AAAs cultivated relationships with Family Support Division (FSD), which handles Medicaid/MSP eligibility
  - FSD worker is given an office in the AAA 1-2 days each week
  - AAA sets up appointments for clients to complete/troubleshoot applications with the FSD worker

# Promising Practices in Outreach- Cont'd

## Example 5: Smoothing application process

- AgeOptions in Illinois found many MSP applications were denied due to insufficient/unclear documentation
  - AgeOptions created a uniform coversheet that outlines all documentation of income, including medical and housing expenses
  - Distributed cover sheet to advocates and AAAs across the state
  - Saw reduction in application churning and denials
