

Benefits Planning Training Workshop Evaluation

March 7, 2008

Hawaii's Medicaid Infrastructure Grant held a benefits planning workshop in March of 2008 to inform the community about ways for disability beneficiaries to return to work. Case managers, consumers and benefits planners were invited to attend. At the conclusion, attendees were asked to rate their satisfaction with the overall workshop and with each session.

Overall Workshop Evaluation

1. Please rate your overall satisfaction with this workshop.
2. Please rate your overall satisfaction with the format of the workshop.
3. Please rate your overall satisfaction with the facilities.
4. Please rate your overall satisfaction with the location of the workshop.
5. Please rate your overall satisfaction with the staff's planning of the workshop.
6. Will you attend or recommend someone else attend a similar workshop in the future?

Session Evaluation

Participants were asked to rate their agreement with these statements.

1. The content of this session was relevant to me.
2. The speaker was knowledgeable about the topic.
3. The speaker held my attention.
4. There were ample opportunities to speak and ask questions.
5. Was the information presented understandable and accessible?

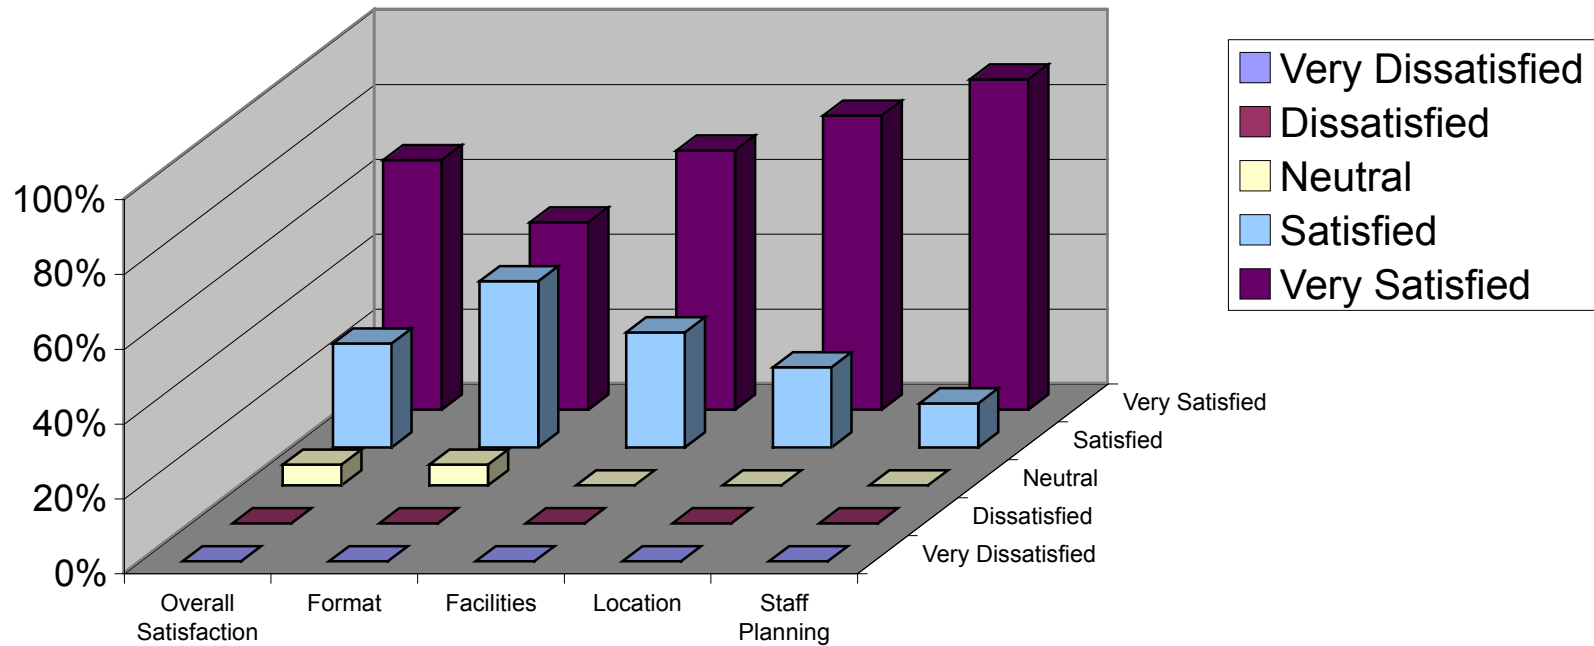

* The SSDI session had a different evaluation format supplied by the speaker.

Benefits Planning Workshop Evaluation

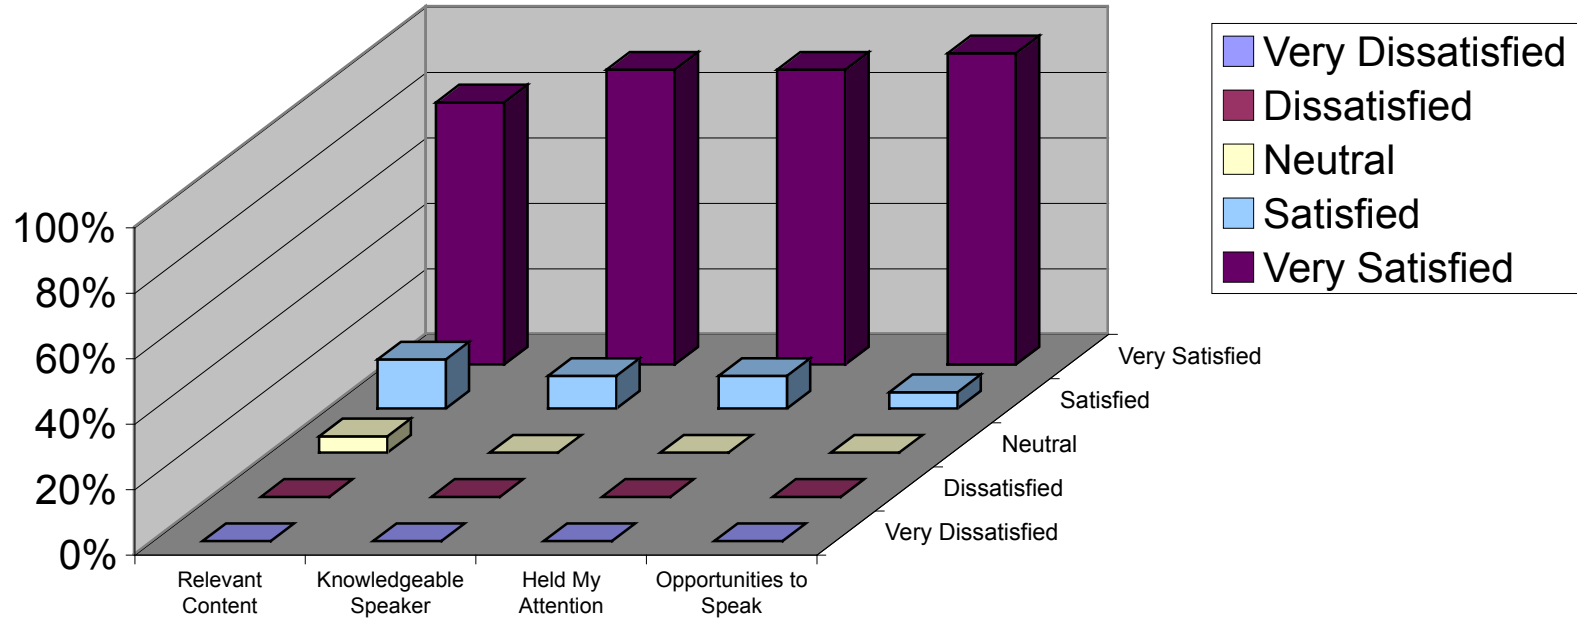

Will you attend or recommend someone else attend a similar workshop in the future?

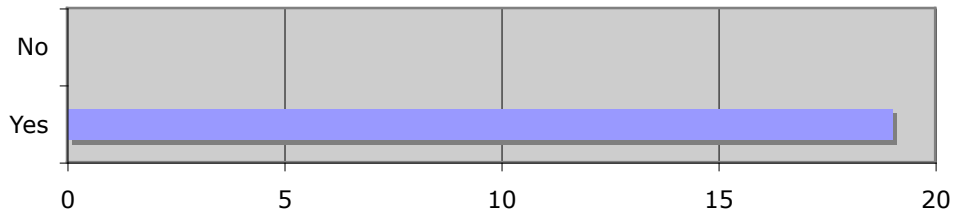

Suggestions

- Slightly shorter presentations with 15 to 20 minute breaks.
- Lets do this on all the Hawaiian islands!

Program Overview Evaluation

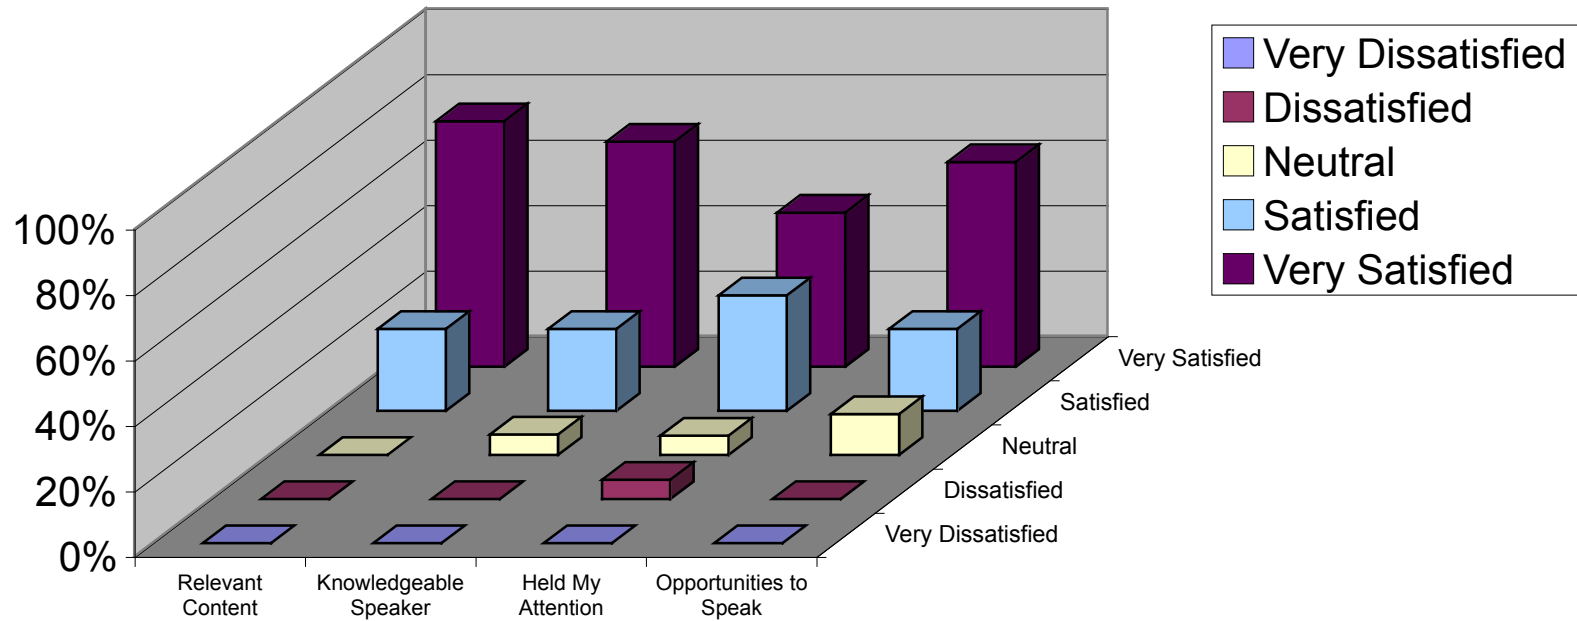

Was the information presented understandable and accessible?

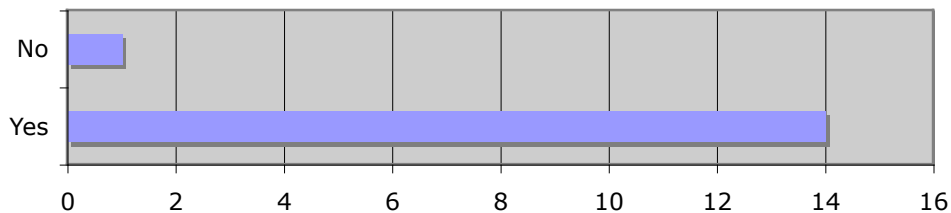

Suggestions

- none

SSI and Medicaid Session Evaluation

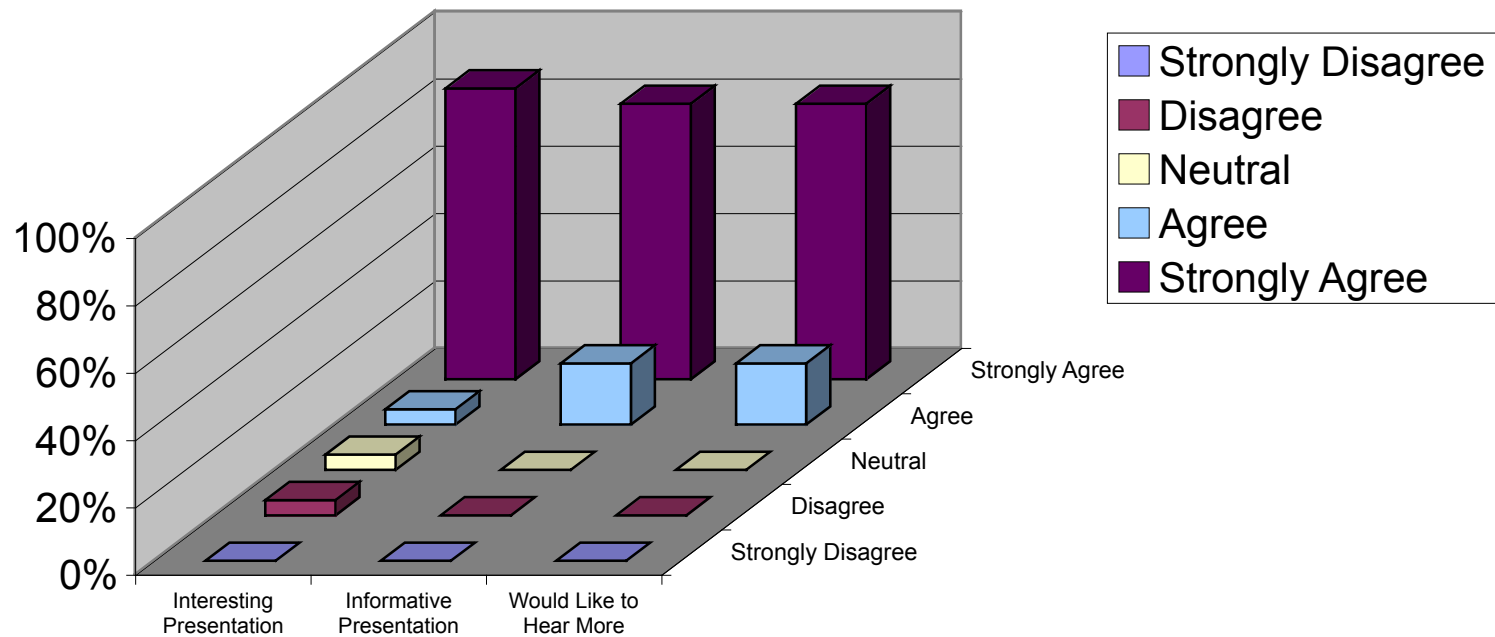

Was the information presented understandable and accessible?

Suggestions

- The training could be expanded. I would love to have a day where participants (SSI beneficiaries) could be brought in to receive some guidance on their benefits with Howard.
- Lots of info. Break down more. Train in increments.

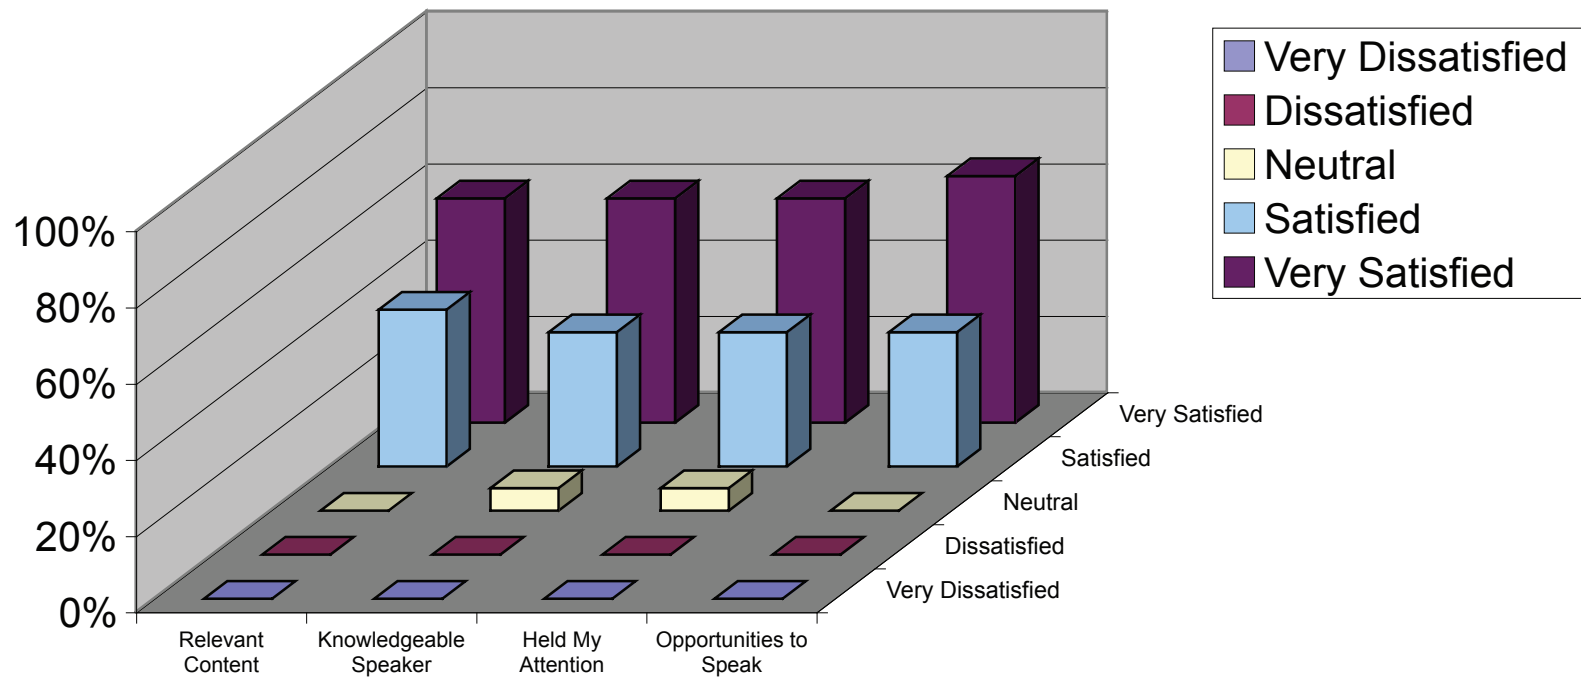

SSDI and Medicare Session Evaluation

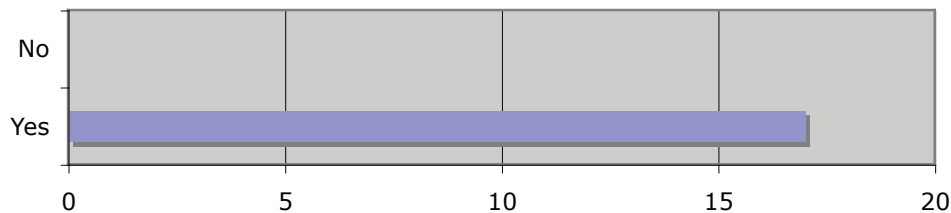

Suggestions

- More on SSDI/SSI combo cases.
- More visuals.
- Stop the questions until after the presentation.
- Q+A after presentation.
- More case studies to show what would happen in a complicated situation.
- More information in detail.

Self Employment & Financial Literacy Session Evaluation

Was the information presented understandable and accessible?

Suggestions

- More time going over the process/mechanics/realities of starting your own business. Maybe some stats about small business owners like what they're doing, how much they make, etc.
