	2009	1,696
	2010	

By December 31, 2010, the number of SSI recipients in 1619(b) status will increase annually by 25% and the number of SSI recipients utilizing other work incentives (PASS, IRWE, BWE) will increase annually by 5%

1619(b) Status

Year

2006	1424
2007	1482
2008	1495
2009	1278
2010	

Work Incentives

Year

2006	93
2007	75
2008	76
2009	64
2010	

Note: The number of individuals using a PASS in 2008, 2009 was so low that it was not reported to avoid disclosure of information for particular individuals. For the sake of this document the number was accounted for as a zero.

Formula used to calculate % annual increase

Current year minus the oldest year

Divided by the oldest year

Move decimal over 2 spaces to the right
