

## **Medicare Learning Centers**

**Do you want to learn about the Medicare program?**

**ServiceLink Resource Centers have answers!**

Medicare Learning Centers are located at **ServiceLink Resource Center** sponsored sites, in every County of the State of New Hampshire.

### **What do Medicare Learning Centers provide?**

- A connection for free and confidential health insurance counseling with a trained HICEAS volunteer.
- A connection to assistance for Medicare Prescription Drug Benefit enrollment assistance and information.
- A computer with Internet access to Medicare and other exciting web sites pertaining to senior-related and caregiver issues.
- A TV, VCR, and cassette tape player for Medicare videos and other recordings.
- A library of Medicare publications and other reading materials.
- Access to public education programs on Medicare-related topics.
- Opportunities to become a volunteer with HICEAS, **ServiceLink** or other programs in your community.
